INTRODUCING: O'Daniel COMMITTEE: Finance

A Preliminary Resolution of the Common Council of the City of Evansville Declaring an Economic Revitalization Area for Property Tax Phase-In for the Acquisition and Installation of Manufacturing Equipment

# Berry Plastics Corporation (and its subsidiaries) (101 Oakley Street, Evansville, IN)

Whereas, Berry Plastics Corporation and its subsidiaries (the "Applicant") has submitted a Statement of Benefits and made application for Economic Revitalization Area designation pursuant to IC 6-1.1-12.1 et seq. and Evansville Common Council Resolution C-2002-3 as Amended (the "Tax Phase-In Resolution") for the property located at: See Section 1e.; and

Whereas, said property meets the criteria for designation as an Economic Revitalization Area pursuant to IC 6-1.1-12.1- et seg;

**NOW THEREFORE, BE IT RESOLVED** by the Common Council of the City of Evansville as follows:

**Section 1.** The Common Council has reviewed the Statement of Benefits and additional information submitted pursuant to I.C. 6-1.1-12.1 and Common Council Resolution C-2002-3 as Amended and made the following findings:

- a. The estimate of the value for the installation of new manufacturing equipment by the Applicant is reasonable for projects of that type; and
- b. The estimate of the number of individuals who will be employed or whose employment will be retained by the project can be reasonably expected to result from the proposed acquisition and installation of manufacturing equipment; and
- c. The estimate of the annual salaries of those individuals who will be employed or whose employment will be retained by this project can reasonably be expected to result from the proposed acquisition and installation of manufacturing equipment; and
- d. The totality of benefits likely to accrue from this project is sufficient to justify a tax deduction.
- e. The property known as:

Parcel ID: 82-06-19-026-003.001-029 and 82-06-19-026-002.001-029 Isabella PL Lots 26 thru 47 and Lots 47 and Lots 54 thru 57 Vac Alley.

has been found to meet the requirements of an Economic Revitalization Area pursuant to IC 6-1.1-12.1.

- **Section 2.** Based on these findings, the Common Council has determined that the purposes of I.C. 6-1.1-12.1 are served by allowing the deduction and the property described in Section 1.e. (above) is hereby declared to be an Economic Revitalization Area.
- **Section 3.** The designation of this Economic Revitalization Areas shall apply to property tax deductions for "real property" and "personal property" as provided in IC 6-1.1-12.1-4.5 and IC 6-1.1-12.1-3.
- **Section 4**. The designation of this Economic Revitalization Area shall be in effect up to and including **December 31, 2025**.
- **Section 5.** The length of deduction to be allowed for this project for "real property" and "personal property" shall be for <u>10</u> years for both Real and Personal Property as described on their SB-1 (and attached hereto) based on the scheduled provided Real Property based per schedule on Attachment 1 and Personal Property based on Attachment 2.
- **Section 6.** The Statement of Benefits submitted by the applicant and dated December 23, 2014 is hereby approved.
- **Section 7.** Benefits provided by this Preliminary Resolution shall accrue and be valid for any equipment or investment made prior to the passage of this resolution, but not before December 23, 2013, as provided by the SB-1 attached hereto.
- **Section 8**. This Resolution shall be in full force and effect from and after its passage by the Common Council, signing by the Mayor, and advertisements, if any, as required by law.

Council Meeting 1/27/2014

SUBJECT: The Growth Alliance has worked closely with Berry Plastics assisting/facilitating discussions between the various entities including, other communities, the rail road and utility providers. The other communities, besides Evansville, to develop a total package included Richmond, IN and Princeton, IN.

Berry Plastics Group, Inc. is a leading global manufacturer and marketer of value-added plastic consumer packaging and engineered materials. With a long-standing track record of delivering high-quality customized solutions to their customers, their products are designed utilizing proprietary research and unique development and manufacturing technologies. These technologies foster the innovation of their products, which include open top and closed top packaging, polyethylene-based plastic films, industrial tapes, medical specialties, flexible packaging, heat-shrinkable coatings, specialty laminates, and FIBCs (bulk bags). To augment their product offering, they have been one of the most active acquirers of plastic packaging businesses globally, having acquired more than 30 businesses since 1988.

Berry currently employs 2,041 in the Evansville/Vanderburgh County.

They are considering an Investment in Evansville according to the following:

- \$25 million in New Equipment (personal property) to Indiana, relocated from operations in another state
- \$10 million New Infrastructure (real property) Upgrades
- \$11 million New Printing Equipment (personal property)
- \$10 million in Moving Expenses to relocate equipment

With this investment comes the addition of 280 new jobs with average wage rate of \$18.50/hour, plus benefits, representing the vast majority of the 336 total jobs that will be coming to JAN 16 2014

There Windholm the State of Indiana.

State of Indiana offer:

\$2,350,000 EDGE Credits

\$300,000 Skills Enhancement Funds (Training)

Fiscal Impact: Total, positive, Economic Impact of this project for Evansville is:

\$18,255,617,231 over the next 10 years; or, over \$1.8 billion/year.

Understanding the requirements of the project related to location choice, working closely with the executives at Berry Plastic, and reviewing offers available to Berry Plastics from communities outside the State of Indiana, we are recommending the following local incentive package.

# Report to Mayor and City Council | 2014

This is the package that is required to land this project:

- 10-year tax phase in on Real Property using standard phase in percentages Value approx. \$1,706,859.00
- 10-year tax phase in on Personal Property using a accelerated schedule of 100% for the first four years, 80% for the 5<sup>th</sup> year, 70% for the 6<sup>th</sup> year, 60% for the 7<sup>th</sup> year, 50% for the 8<sup>th</sup> year, 40% for the 9<sup>th</sup> year and 30% for the 10<sup>th</sup> and final year. Using this schedule, Berry received an additional \$200,000 +/- during the entire 10 year phase over a standard tax phase in - Value approx. \$2,838,450.
- A grant of \$100,000 for Training assistance; requires 50/50 match and applicable to Evansville residents hired over the first 2 years of project implementation.

The total value to Berry would be approximately \$4.6 Million and the project would generate a positive, Economic Impact of over \$1.8 Billion per year for Evansville.

The Growth Alliance has requested, and Berry has agreed to, execution of an agreement with the City that would require Berry to reimburse the City for an agreed to amount of the value of the benefits received to date in the event they would decide to relocate these new jobs to another community within the 10 year period. This type of agreement has been referred to as a "claw back agreement" on prior projects.

Richmond, Indiana has offered for their portion of the project (which includes \$1 million in new equipment investment and 50 jobs averaging \$18.50/hour plus benefits);

10 year tax phase in

\$85,000 cash reimbursement for expenses related to relocating to Wayne County Indiana.

We are confident, based on negotiations, that the incentive package outlined above is required to land the 280 jobs in Evansville.

Mr. Mark Miles Berry Plastics Evansville, IN

Dear Mr. Miles:

The following letter outlines the City of Evansville's commitments<sup>1</sup> to Berry Plastics (Berry) with respect to the expansion/retention of Berry's expansion located in Evansville, Indiana. Berry's expansion project will consist of approximately \$10 million in new infrastructure, \$11 million personal property investment in printing equipment and approximately \$25,000,000 of equipment new to the State of Indiana, the retention of approximately 530 existing jobs and the creation of 280 new jobs at an average wage of approximately \$18.50 per hour.

### Financial Assistance Funded From Tax Phase-In

The City will offer a 10-year Tax Phase-In on real property investment and a Modified Schedule of Tax Abatement on personal property investment for the purpose of assisting Berry Plastics with the Project. Tax Phase-In allows for the gradual phasing in of property tax that has occurred due to an increase in assessed value of a building and/or the purchase of equipment. In a 10-year Tax Phase-In, any additional tax owed due to construction of or improvements made to the building and/or purchase of certain equipment, occur in graduated steps. Full taxes on these improvements will commence in the 11<sup>th</sup> year. The Modified Schedule of Tax Abatement allows for more aggressive abatement.

The 10-year Tax Phase-IN for real property provides an estimated value of \$1,706,859.00<sup>2</sup> based on the traditional Tax Phase-In schedule. The estimated gross and present value of the Modified Schedule of Tax Abatement has an estimated value of \$2,838,450 for personal property<sup>2</sup> based on a modified schedule of 100% abatement in years 1-4,80% abatement in year 5,70% abatement in year 6,60% abatement in year 7,50% abatement in year 8,40% abatement in year 9 and 30% abatement in years 10.<sup>3</sup>

<sup>&</sup>lt;sup>1</sup> The commitments outlined in this letter do not include any incentive or assistance which may be offered directly to Berry by the Indiana Economic Development Corporation or any other governmental units.

<sup>&</sup>lt;sup>2</sup> This is an approximate amount, and is dependent upon assumptions and projections of property tax rates and depreciation.

<sup>&</sup>lt;sup>3</sup> This is an approximate amount and is dependent upon assumptions and projections of property tax rates.

### Training Grant - City of Evansville

The City will offer a Hiring/Training Grant in support of other incentives received by Berry from the State of Indiana or State Workforce Development. The local hiring/training grant allows for a broad range of flexibility to support training activities, relocating machinery/equipment to be used in manufacturing process and training process, and/or recruitment. Further discussions could help identify the specific needs of Berry. This hiring/training grant is for a 50/50 company hiring/training match of \$1,000 for every Evansville resident hired over the next 2 years, up to a maximum of \$100,000.

### **Limitation on City Obligations**

The City's financial obligations to Berry with respect to the Project shall be limited to the Financial Assistance Commitment described above. Berry shall be responsible for completion of the Project, including but not limited to real property investment.

### **Approvals**

The Incentives are subject to further local action and approvals, which the City will pursue promptly upon acceptance hereof by Berry.

### Conditions

The Incentives are based upon Berry (a) retention of 530 employees and the creation of 280 additional positions at the Project location by the dates and with hourly wages as described in the Indiana Project Profile and (b) making the investment in personal property in the amounts and by the dates as described within the Indiana Project Profile.

If for any reason Berry does not timely fulfill the employment, hourly wage, or projected investment, the City reserves the right, by Indiana Statute or pursuant to the terms of the above noted Project Agreement, to receive back from the Company a rebate of the Incentives pursuant to the terms of the Project Agreement.

The City will limit its investment to the amount of the Financial Assistance Commitment. It shall be the responsibility of Berry to provide for all costs associated with the Project, including but not limited to, investment in real property.

The City's offer will remain available for written acceptance by Berry until December 30, 2013. Please confirm your acceptance hereof by dating, signing and returning a signed copy. We are excited about Berry's Project and look forward to working with you to ensure that your company continues its success in our community.

Sincerely,

Lloyd Winnecke, Mayor

City of Evansville

Mark Miles Chief Financial Officer Berry Plastics Corporation 101 Oakley Street Evansville, IN 47710

Project ID: 416533

Dear Mr. Miles:

The Indiana Economic Development Corporation ("IEDC") is pleased to learn that Berry Plastics Corporation (the "Company") is considering Vanderburgh County as a site for its expansion ("Project"). We have been advised that the Project involves a capital investment of approximately \$21 million and the creation of approximately 336 net new full-time positions for Indiana resident employees, earning an average wage of \$18.50 an hour by 2014, over and above the commitments agreed to under Project ID 416156.

### Training Assistance

The IEDC will offer a grant of up to \$300,000 from the Skills Enhancement Fund to facilitate job skills training. This flexible program will provide partial reimbursement for a wide variety of training costs. The grant may be provided for qualified training expenses incurred through December 31, 2015.

### Economic Development for a Growing Economy Program

The IEDC will offer up to \$2,350,000 in Economic Development for a Growing Economy ("EDGE") tax credits which may be certified over a period not to exceed years (2014-2023). The calculation is based on the creation of 336 net new full-time positions for Indiana resident employees in connection with the Project, earning an average wage of \$18.50 per hour by year 2014. The current employment level of 2235 employees will be established as the base above which new employees can be counted toward the job creation goal. In order to receive an EDGE tax credit, the Company must commit to the location and operation of the Project in Indiana for at least two (2) years after the last year in which an EDGE tax credit is claimed.

The proposal set forth in this letter shall remain available for acceptance by the Company until December 15, 2013. Failure to respond by this date may result in cancellation of this offer of assistance. As we proceed forward, the base employment level will be verified upon receipt by the IEDC of the Company's employment level certification. Upon request, the Company must also provide the IEDC an update on the status of the Project. All incentives are subject to the final review and approval of the IEDC. This letter supersedes any and all previous correspondence concerning this project.

Mark Miles Page 3 December 11, 2013 Project ID: 416533

The Company accepts the above offer of the Indiana Economic Development Corporation (IEDC) and desires to work with the IEDC to confirm all application information and complete these incentives through the execution of final incentive agreements, all in due course. The company affirms that the IEDC incentives offered in this letter are a major factor in the Company's decision to proceed with the project as summarized herein. The undersigned represents that he or she is duly authorized to accept this offer on behalf of the Company.

Eligible vacant building (IC 6-1.1-12.1-4.8)

### INSTRUCTIONS:

- 1. This statement must be submitted to the body designating the Economic Revitalization Area prior to the public hearing if the designating body requires information from the applicant in making its decision about whether to designate an Economic Revitalization Area. Otherwise this statement must be submitted to the designating body BEFORE the redevelopment or rehabilitation of real property for which the person wishes to claim a deduction. "Projects" planned or committed to after July 1, 1987, and areas designated after July 1, 1987, require a STATEMENT OF BENEFITS. (IC 6-1.1-12.1)
  Approval of the designating body (City Council, Town Board, County Council, etc.) must be obtained prior to initiation of the redevelopment or rehabilitation,
- BEFORE a deduction may be approved. 3. To obtain a deduction, application Form 322 ERA/RE or Form 322 ERA/VBD, Whichever is applicable, must be filed with the County Auditor by the later of: (1) May 10; or (2) thirty (30) days after the notice of addition to assessed valuation or new assessment is mailed to the property owner at the address shown on the records of the township assessor.
- Property owners whose Statement of Benefits was approved after June 30, 1991, must attach a Form CF-1/Real Property annually to the application to
- show compliance with the Statement of Benefits. [IC 6-1.1-12.1-5.1(b) and IC 6-1.1-12.1-5.3(j)]

  The schedules established under IC 6-1.1-12.1-4(d) for rehabilitated property and under IC 6-1.1-12.1-4.8(1) for vacant buildings apply to any statement of benefits approved on or after July 1, 2000. The schedules effective prior to July 1, 2000, shall continue to apply to a statement of benefits filed before

### **INSTRUCTIONS:**

- 1. This statement must be submitted to the body designating the Economic Revitalization Area prior to the public hearing if the designating body requires information from the applicant in making its decision about whether to designate an Economic Revitalization Area. Otherwise this statement must be submitted to the designating body BEFORE a person installs the new manufacturing equipment and/or research and development equipment, and/or logistical distribution equipment and/or information technology equipment for which the person wishes to claim a deduction. "Projects" planned or committed to after July 1, 1987, and areas designated after July 1, 1987, require a STATEMENT OF BENEFITS. (IC 6-1.1-12.1)
- Approval of the designating body (City Council, Town Board, County Council, etc.) must be obtained prior to installation of the new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment, BEFORE a deduction may be approved
- 3. To obtain a deduction, a person must file a certified deduction schedule with the person's personal property return on a certified deduction schedule (Form 103-ERA) with the township assessor of the township where the property is situated. The 103-ERA must be filed between March 1 and May 15 of the assessment year in which new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment is installed and fully functional, unless a filing extension has been obtained. A person who obtains a filing extension must file the form between March 1 and the extended due date of that year.
- 4. Property owners whose Statement of Benefits was approved after June 30, 1991, must submit Form CF-1 / PP annually to show compliance with the Statement of Benefits. (IC 6-1.1-12.1-5.6)
